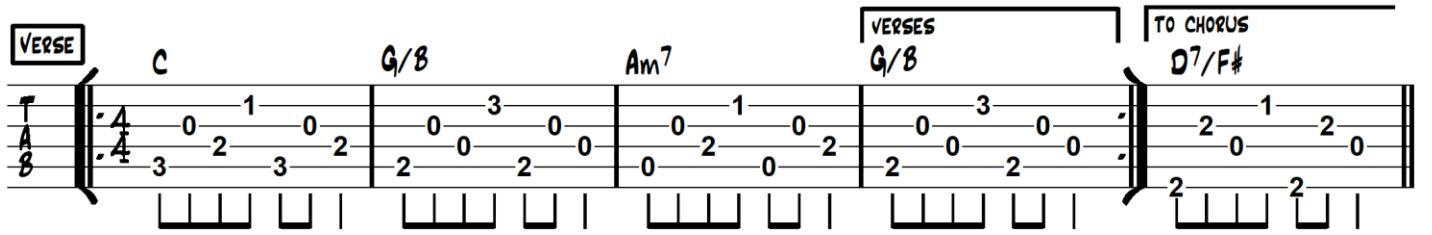
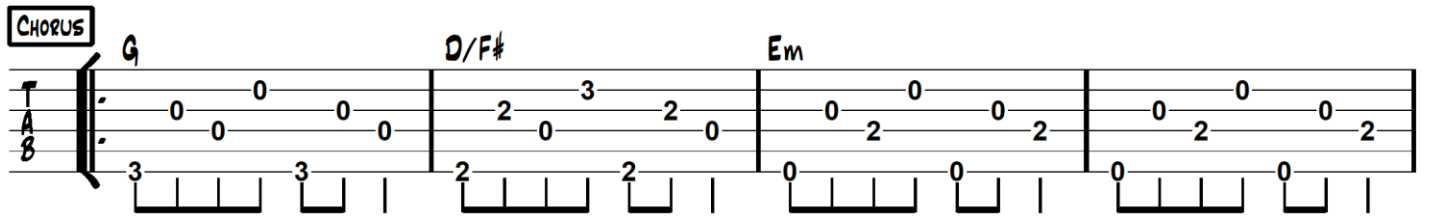
Landslide – Fleetwood Mac (Fleetwood Mac)

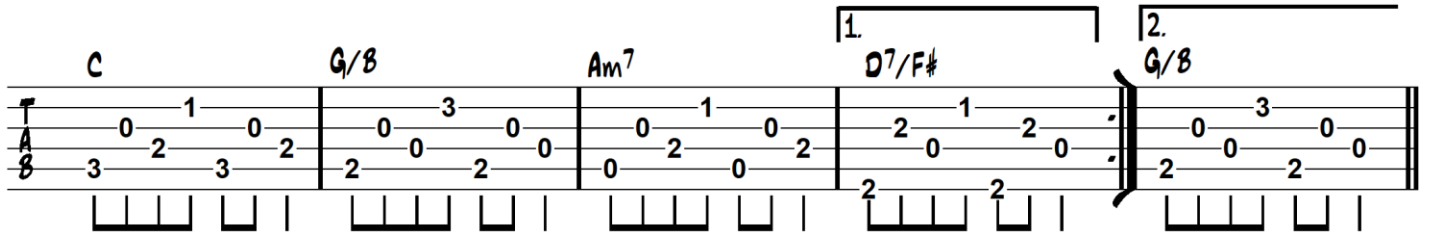
Instructor: Jacob Sweet



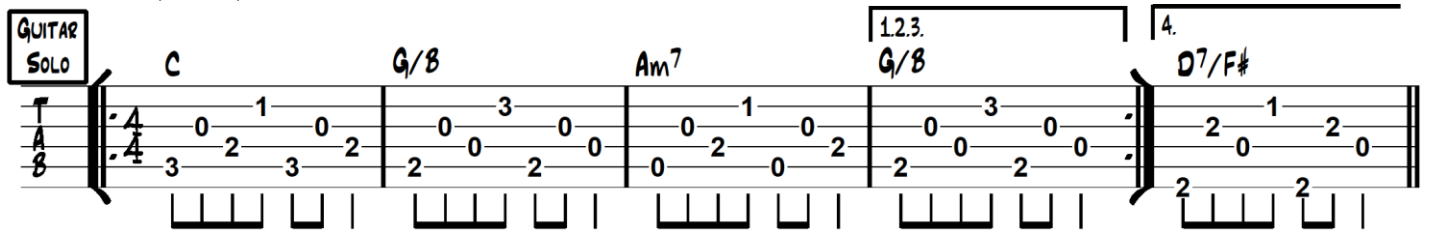
I took my love, I took it down Climbed a mountain and I turned around and I
saw my reflection in the snow covered hills 'Till the landslide brought me down
Oh, mirror in the sky, What is love Can the child within my heart rise above Can I
sail thru the changing ocean tides Can I handle the seasons of my life
mmmm...



I've been afraid of changing 'Cause I've
But time makes you bolder Even children get older And



built my life around you
I'm getting older too



(Repeat Chorus)
