 Ever notice how the sun just keeps on rising Every morning it still breaks in

| 5 ||
 Knowing every night it'll take it away

|| 1 / / 5/3 | 6m | 4 |
 Ain't it funny how it all just keep on lyin' Pretend there's anything other

| 5 ||
 then this moment with each other, I

|| 4 | 5 3m | 4 |
 can't say why someone would second guess or hes - itate

| 5(hold) ||
 being here now And if it's

|| 4 1 | 5 / 6m 5 | 3/4) 4 / 5 |4/4) 1 |
 ten years or two or a life time with you I'll just be grateful for what I got When only

| 4 1 | 5 #5dim7 6m 5 | 3/4) 4 / 5 |4/4) 1 |
 minutes remain On the rest of our days I'll just be grateful for what I got

| 3/4) 4 / 5 |4/4) 1 ||
 Hmmm.....

|| 1 / / 5/3 | 6m | 4 |
 Every book ever bound is sad and ended But you don't get another after

| 5 ||
 Just by not reading the last chapter And,

|| 1 / / 5/3 | 6m | 4 |
 ain't it crazy how the world just keeps on turning No matter what god you believe in

| 5 ||
 You're going to get all the seasons And I

|| 4 | 5 3m | 4 |
 can't say why someone would waste a moment of a day with

| 5(hold) ||
 you now And if it's

(Repeat Chorus)

|| 5 | 6m 4 |
 Ain't no way to ever know how we're gonna go But someday we say that long good-

| 5 | 6m 4 |
 Bye Proof is in the pain of the love we gave before the last grateful good -

| 5 / 6m 5 | 4 1/3 | 5 5sus4 | 5(hold) ||
 Bye And if it's

(Repeat Chorus, Tag last 2 bars to end)
