**Roll Me Up and Smoke Me When I Die - Willie Nelson (2012)** *Album Key = C*

**4/4) 1        1        4        1    1    5    1        1**

---

**1                  4                    1                  1                    1                  1**
Roll me up and smoke me when I die                                And if anyone don't    like it,      just
**1                  5              5                  1                            1$^7$              4**
look 'em  in the eye                      I didn't come here, and I ain't leavin'  So don't sit around and
**1              1                    5                    1                  1**
Cry        Just roll me up and smoke me when I die.

---

**1                  5                  1                  1                    1                  1**
You won't see no sad and teary eyes                      When I get my wings and it's my time to
**5              5              1                            1                            4                  4**
Fly                      Just call my friends and tell them        There's a party, come on by        just
**1              5                  1                    1**
roll me up and smoke me when I die.

**(Repeat Chorus)   -   (Solos over Chorus)**

      **1                      5                      1              1                    1                  1**
When I go out I've been here long enough                            So sing and tell more jokes and
              **5              5          1                    1                4                  4**
dance and  stuff                      Just keep the music playing     that'll be as good as goodbye
**1              5                  1                1**
roll me up and smoke me when I die.

**(Repeat Chorus)   -   (Solos over Chorus)**

      **1                      5                      1              1                    1                  1**
Well take me out and build a roaring fire                              And just roll me in the flames for
              **5              5              1                1                    4**
about an hour                      And then take  me out and twist me up And point me towards
      **4              1                  5                      1                  1**
the sky        And roll me up and smoke me when I die.

---

**1                  4                    1                  1                    1                  1**
Roll me up and smoke me when I die                                And if anyone don't    like it,      just
**1                  5              5                  1                            1$^7$              4**
look 'em  in the eye                    I didn't come here, and I ain't leavin'  So don't sit around and
**1              1                    5                    1                  4              1**
Cry        Just roll me up and smoke me when I die.                          Just roll me up and
**5                      1                      [1    /    1(end)    ]**
smoke me when I die.
