I love some bluegrass pickin'

I love little Jimmy Dickens

| 1 | 6m | 4 | 5 ||

Granny Lucy's fried chicken on a sunday after - noon

|| 1 | 6m | 1 | 6m |

Just puttin' off a monday

My baby right be - side me

| 1 | 6m | 4 | 5 ||

Out drivin' in the country under - neath a yellow moon

|| 4 | 1 | 4 | 1 | 4 |

Roll down the windows

Let that old

wind blow

Right through your

| 1 | 4 | 5 | 4 | 1 | 4 |

hair Not a care in the world We'll take the long way Down a two lane

| 1 | 4 | 1 | 5 | 1 | ||

highway Headed for nowhere just me and my girl

|| 1 | 6m | 1 | 6m |

I love the hand that I'm holding

I wish we could keep going

| 1 | 6m | 4 | 5 ||

Without anybody knowing if we're ever coming

home

|| 1 | 6m | 1 | 6m |

We'll stop around mid night

For one dance in the moonlight

| 1 | 6m | 4 | 5 ||

Your kisses feel like

nothing I've ever

known

(Chorus)**(Solo over Verse)**

|| 4 | 1 | 4 | 1 | 4 |

Roll down the windows

Let that old

wind blow

Right through your

highway Headed for nowhere just me and my girl

We'll take the long way

| 4 | 1 | 4 | 1 | 5 | 1 | ||

Down a two lane highway

Headed for nowhere just me and my girl
