Welcome to Guitar 2. Here are some of the things we will hope to learn.
We will be expanding our chord vocabulary from our basic guitar 1 chords:

to include these fancy new Guitar 2 chords:

We will also learn:

- Basic finger-picking.
- Develop new and exciting strumming patterns (such as the alternating bass strum)
- Some new time signatures (6/8 and 12/8)
- Bass runs.
- Guitar Tablature.
- How to use a capo.
- Arpeggios and a few songs that use them.
- Transposition.
- Try to learn a song from memory.
- Enjoy the wonderful environment that is the Old Town School of Folk Music!
